IN HAND CLINIC

31 March 2019 at Durfold Farm

See www.topcobs.com

Showing your horse in hand can be a great introduction to competition for young stock as well as older horses and ponies new to the show ring. It's also an important phase of ridden showing classes.

So, come along to my in hand clinic to find out how to present both you and your horse correctly.

This short session will take you through all you need to know, get some practice and of course have some fun!

Come ready to go into the show ring - so you can make the most of the day and get the best advice.

The plan:

- Welcome coffee and introduction to the day. Meet the others. Background on handlers and horses
- Correct turn out of the handler
- Presentation of young stock including tack
- Correct tack for all types and ages
- Use of grooming products
- Leading and running up
- Standing forward for presentation to the judge
- Ring procedure
- Now let's put it all into practice
- In hand class with rosettes and loads of product prizes to all
- Wrap up chat to deal with any queries you may have
- Depending on numbers forward you may be split into two groups

Prizes galore from Baileys Horse Feeds. Rosettes Marketwise Solutions Ltd (Carole West)
